

Emergency GP Advanced Skill (registrar) Position to commence in February 2024

At

St John of God Hospital Ballarat (Blended post with Grampians Health Ballarat)

Position Description

Applications are invited for full-time or part-time Emergency GP Registrar positions at St John of God Hospital Ballarat, Victoria.

This/these position(s) are accredited for the Advanced Skills Training component of the RACGP – RG or FACRRM.

Supervision is jointly provided by a FACEM and/or senior ED Medical officers at all times in the Emergency Department.

Protected training time is allocated for education programmes.

This appointment is government funded and the confirmation of this position is conditional on confirmation of funding. All criteria with the training college must be met prior to commencement.

About the Emergency Department (ED)

The ED treats 18000 patients comprising adults and children, and the hospital provides a full range of medical and surgical services. After hours specialist rosters in all major subspecialties provide further support for the ED doctors. An on-site Catheter Laboratory provides primary stenting for AMI patients. The adjacent public hospital ED (Ballarat Health Services) and St John of God ED collaborate to provide an ongoing ED Registrar tutorial programme.

The Position

The Registrar will work as an emergency medical officer during the allocated hours, under supervision as appropriate.

Duties will include:-

- Clerking and working up emergency patients upon presentation with supervision and support (as needed) from senior ED doctors.
- Admission of appropriate patients in consultation with senior ED doctors
- Provision of care to hospital inpatients and participation in MET calls as requested
- Maintaining a logbook of patients treated if required by FRACGP
- Regular case presentations to senior ED doctors
- Participation in the Emergency Department M&M meetings
- Participation in Education programmes
- Full completion of medical and discharge notes
- Completion of computer data entry as requested
- Participation in the Ballarat Base Hospital Emergency Registrar education programme
