POSITION PURPOSE

The BPT/ Medical registrar position at Ballarat is RACP-accredited as a level 2 training centre, and involves rotations through General Medicine, Neurology, Cardiology, Oncology, Hospital in the Home, Rehabilitation and Palliative Care. Each General Medical unit has a sub-specialty focus but will see a broad range of general presentations.

Grampians Health Ballarat provides care to the Greater Grampians region, covering 20% of Victoria. The Base Hospital is a 221 bed acute facility with ICU and a cardiac cath lab. The regional cancer centre is co-located, with an adjacent sub-acute hospital.

RACP Advanced trainees in General Medicine, Oncology and Cardiology are attached to the units to provide additional support. We provide regular education including sessions in the Simulation Centre, and have an attached Clinical School with students from Deakin University and the University of Melbourne.

In cooperation with medical, nursing and other health professional staff, the Medical Registrar is responsible for supervising and coordinating the care of patients. The Medical Registrar is expected to gain exposure to a breadth of clinical experience, obtain experience in patient care, and be involved in training and educational activities to develop their knowledge and understanding, and skills and attitudes in the relevant specialist stream. As a member of the Internal Medicine team the appointee will contribute to the overall performance of the team consistent with Grampians Health Ballarat Mission, Vision and Objectives.
